

MUSSELMAN

Rentals & Sales

Discover a higher standard in heavy equipment.

Rental Rate Explanation

Rental Periods

- **Rental Purchase Options**

are available upon your expressed interest.

- **Monthly Rentals**

are for 1 month from the day the rental starts, up to but not including the same date in the next month, with up to 176 hours of machine usage. *We don't believe in a 28 day month.*

- **Weekly Rentals**

are for 1 week from the day the rental starts, up to but not including the same day in the next week, with up to 40 hours of machine usage.

- **Daily Rentals**

are for 24 hours or less with up to 8 hours of machine usage.

Additional Weeks or Months

the rental is calculated from the number of calendar days during the rental period. If you rent a machine for 1 month and 1 week from *any other* rental store you pay \$6,000 per month plus \$2,000 per week for a total of \$8,000. If you rent from *us* you pay \$6,000 per month plus \$1,380, because we take 7 days divided by 30 days which equals .23 of a month x \$6,000 = \$1,380. Your total from us is only \$7,380 which means you save \$620 on your final bill.

Excess Hours

are charged at 1/8, 1/40, or 1/176 of the rental rate for the period. For example, if you put 195 hours on a machine in June and 170 hours on the same machine in July you have used it for 365 hours when only 352 hours were allowed. We take the rental period rate of \$6,000 and divide it by 176 hours and charge the 13 overtime hours at \$34.09

Rental Conditions

Customer Responsibilities

- Daily lubrication & maintenance of machine
- Replacement of engine oil & filter every 250 hours
- Replacement of ground engaging tools (i.e. teeth, edges)
- Excessive tire or undercarriage wear and damage
- Prevention of abuse, physical damage, and theft
- Return the machine in clean condition & full of fuel

**Failure to comply will result in the invoicing of additional charges.*

General Information

Customer must provide proof of required insurance prior to picking up machine. Sales and property taxes are additional to the base rates. Rates are FOB our yard, unless delivery service is requested at an additional fee. Rental begins when machine leaves our yard & continues until it is returned to our yard. We are not responsible for downtime due to bad weather conditions.
